# MATH ACTIVITIES

---

1. **Counting Cards:** Cut each page apart to have 10 cards total. Have your preschooler identify the number on each card. Using small manipulative (counters, mini erasers, etc.), have kids cover each image while counting aloud.
2. **Missing Numbers Clip Cards:** Cut the cards apart so that you have a total of 10. Use mini clothespins or paper clips to mark the missing number.
3. **Roll and Cover:** Roll a die. Count the dots on the die. Color a snowman in the correct column. Continue until one column reaches the top.
4. **I Spy:** Count the snowmen on the I Spy page, and write the correct number on the record sheet.
5. **Counting Practice:** Similar to I Spy. Kids count the images at the top of the page, and circle the correct number in each row.
6. **Counting Puzzle:** Laminate the puzzle. Cut it apart. Have kids put the puzzle back together in numerical order.
